**To:** Idaho Bankruptcy Bar Section Members  
**Subject:** E-mail Service of Orders from Judge's Chambers

The Bankruptcy Court would like to implement a new service - e-mail service of orders generated from Judge Pappas and Judge Myers' chambers.

If you sign up for this service you will receive any order generated by chambers immediately after the judge has signed the order. The order you receive will have a file stamp but not an original signature. You will not be mailed a hard copy order.

The order will come to you as an attachment to an e-mail in a WordPerfect format. The obvious advantage to this service is that you will receive the order within minutes of the order being issued. Another is no paper copy of the order unless you want one.

To sign up for this service, please e-mail [bkinfo@id.uscourts.gov](mailto:bkinfo@id.uscourts.gov) with the email address you would like to receive the orders.

If you have any questions, please do not hesitate to e-mail or call me at the number listed above.
