

UNITED STATES DISTRICT COURT

DISTRICT OF IDAHO

IN RE:

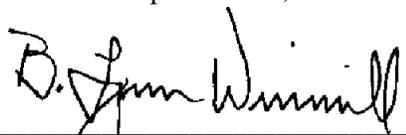

**Obtaining CJA Services
Without Prior Authorization**

GENERAL ORDER #332

Pursuant to 18 U.S.C. §3006A(e)(2), prior approval is required for investigative, expert and other services if the total cost of those services exceeds \$800.00. Because the CJA representations in this District routinely require use of the services of investigators and experts, and the cost of those services combined may ordinarily exceed \$800.00, to avoid the necessity of CJA defense counsel having to expend the time necessary in numerous cases each year to make application to exceed the \$800.00 total maximum, the Court hereby authorizes CJA defense counsel to utilize the services of investigators and experts up to \$800.00 for each service provider without further order of the Court. Investigator and expert service costs exceeding \$800.00 per provider, which do not exceed \$2,400.00¹ per provider, will be forwarded to the Chief Judge for review.

CJA defense counsel and service providers will otherwise comply with 18 U.S.C. §3006A(e)(2).

Chief United States District Judge
